I. Bruin Pride

- Are the Friday plans working?
- Overall, yes. Staff appreciates the plans.

II. Bruin Success

- It is reducing the number of remaining students.
- It feels as if more tutoring is happening.

III. Where are we on 1:1

- We will continue reviewing this.
- Unsure if computers have been ordered.
- Board of Education policies will be voted on by October 12th.

IV. Study Island

- Is it being used?
- Teachers are struggling finding the time to implement.
- Feel they need staff development
 - Possible staff development during planning periods

V. Professional Development

- We do have a budget!
- If you are interested in attending your department conference, please contact Mr. Berry.
- Review DPI e-mails for training as well.

VI. SIT Plan Update

- Data driven goals and measures
- Basically, to meet or exceed growth. (Try to come up with a number)
- Please discuss this with your department. (Look at your overall scale models)
- Please give this to Mr. Berry by the end of the week.

VII. Parent member for SIT

- We are still looking for a parent member

VIII. Student member(s) for SIT

- Student Board members?
- Student Government member?
- Nominations – discuss with your department and send your nomination to Berry by the end of this week. (Consider juniors and seniors)

IX. Other

- Next Wednesday, PSAT will be given to twelve students in the Science Lab.
- Sixty-five students will be taking WorkKeys this year. (We need a number as far as proficiency.)

- We may have nominations for Homecoming by the end of the day Friday.
- More information is forthcoming.

Respectfully submitted,

Jennifer R. Bonney
